Faculty Appointment and Teaching Experience

June 1996 to 2000. Adjunct Professor, Department of Educational Psychology, School Psychology Training Program, Texas A&M University. Duties included class instruction on topics of objective personality assessment and supervision of doctoral students in psychological evaluation and child/family therapy.

Spring Semester 1996. Visiting Assistant Professor, Department of Educational Psychology, School Psychology Training Program, Texas A&M University. Instruction and clinical supervision of school psychology doctoral students conducting comprehensive evaluations of children, teens, and adults. Course title, "Laboratory in Individual Assessment, SPSY 614".

Consulting Contracts

Texas A&M Athletic Department, Center for Athletic Academic Services. Perform learning and psychological evaluations of student athletes for ADA/504 disability services.

Consulting Psychologist, College Station Police Department, College Station, TX and Bryan Police Department, Bryan, TX. Provide psychological consultation and criminal/behavioral profiling as a member of the Crisis/Hostage Negotiation Teams and incident debriefing services to police officers and other emergency service workers as a member of the Critical Incident Stress Management (CISM) teams.

Former consultant to Brazos County Juvenile Services (7 years) and Texas Rehabilitation Commission (22 years). Provided psychological disability evaluation and counseling services.

Professional Experience

June 1994 to Present. Psychologist in private practice, College Station, Texas. Continuation of private practice offering counseling and assessment services to children, teens, adults, couples, and families; school, juvenile justice, law enforcement applicant psychological evaluations, and forensic consultation. Supervision of psychology doctoral students.

August 1993 to June 1994. Psychologist and Director of Outpatient Services, Desert Hills Clinic, College Station, Texas. Established a comprehensive outpatient counseling and assessment clinic as part of the continuum of care provided by the Desert Hills Center for Adults, Youth, and Families. Administrative responsibilities included supervision of office staff and 8 clinicians, including 3 psychologists, 3 LPC-LMFT's, and 1 MSW. Also responsible for budgeting, program development, developing managed-care contracts, and program evaluation. Clinical duties included individual, marital and family therapy, and psychological evaluation. Reed Edmundson, CEO, Desert Hills Center, administrative supervisor. Resigned June 18, 1994 to resume private practice due to financial insolvency of the parent company.

December 1992 to June 1994. Director of Psychological Services, Desert Hills Center for Adults, Youth, and Families, College Station, Texas. Responsible for allied health professional therapy and psychological testing monitoring and evaluation, policies and procedures, and provider credentialing in this inpatient and residential treatment facility. Supervision of two master's level therapists pursuing LPC licensure. Member of the Medical Executive Committee. This was a part-time contract position December 1992 through July 1992 that was combined with my role as Director of Outpatient Services when I became a full-time employee, effective August 1993. Resigned June 18, 1994 to resume private practice.

December 1988 to July 1993. Psychologist in private practice, College Station, Texas. Individual therapy with children, teens, adults; marital and family therapy; chemical dependency and related family issues counseling, psychological assessment; and consultation services. Supervision of two Ph.D. postdoctoral psychology residents (1989 & 1990). Treatment and consultation privileges at Greenleaf Psychiatric Center, Desert Hills Center and Columbia Medical Center. Appointed as Director of Psychological Services at Greenleaf Center to oversee contract clinician credentialing and psychological services.

July 1987 to December 1988. Postdoctoral Psychology Resident, Sandstone Psychiatry, College Station, Texas. Completed 2000 clock hours of supervised experience in individual, group, marital and family therapy; chemical dependency counseling; psychological assessment, and consultation in outpatient and inpatient settings. Child, adolescent, and adult clients were served. Work done in collaboration with four board certified psychiatrists. Training included topical seminars, group case consultation, live and taped supervision, and co-therapy involving a wide variety of clinical cases. Cecil R. Reynolds, Ph.D., supervising clinical psychologist. Additional supervision by psychiatrists John Kinross-Wright, M.D. Bevan Steadman, M.D., and John Talmadge, M.D.

May 1985 to June 1987. Clinical Psychology Intern, University Psychiatry Associates, College Station, Texas. Completed 2000 clock hour internship in this setting and then continued on as a regular employee until graduation. Training emphasized adolescent, adult, marital, family, chemical dependency, and group therapy in outpatient and inpatient settings. Consulted with local schools regarding program development, suicide prevention, assessment, and behavior management. Training included topical seminars, live and taped supervision, group case consultation, and co-therapy with live outside supervision. Psychodynamic and systemic, strategic, and structural family therapy theories and techniques were emphasized. Worked with four other psychology practicum students and interns. Cathryn G. Pridal, Ph.D., supervising clinical psychologist. Additional supervision and training by John M. Talmadge, M.D., Diplomate in psychiatry and addictionology, and Nancy Burns, Psy.D., child clinical psychologist.

August 1984 to May 1985. School Psychology Intern, College Station ISD, Special Services Department, College Station, Texas. Completed 1000 clock hour internship in school psychology. Training emphasized counseling services for teens and families; psychological assessment of emotional disturbance; and program consultation. Jan N. Hughes, Ph.D. (TAMU-SPSY Faculty), supervising school psychologist.

August 1983 to May 1984. Associate School Psychologist, A&M Consolidated High School, College Station, Texas. Full-time counseling services provided to regular education students. Also, coordinated high school counseling services to special populations and co-directed the district's alternative education program for disruptive students.

August 1982 to July 1983. Psychological Associate/Doctoral Student under supervision of Robert Reilly, Ed.D., Professor of Counseling Psychology (TAMU-EPsy) and psychologist in private practice, Bryan, Texas. Part-time, 20-30 hours per week while attending Texas A&M doctoral program. Provided individual and group

counseling, and psychological evaluation services to adult clients referred by Texas Rehabilitation Commission.

June 1980 to August 1982. Staff Psychologist, Texas Rehabilitation Commission, Temple, Texas. Conducted psychological and vocational evaluations, group counseling, and case consultation for rehabilitation clients. Evaluated individuals with a wide variety of psychological, learning, and physical disabilities.

August 1978 to June 1980. Associate School Psychologist, Temple ISD, Special Services, Temple, Texas. Developed and coordinated four classrooms for behavior disordered students grades 1-8. Conducted comprehensive psycho-educational evaluation and case management services for handicapped children in four schools. Provided inservice education and behavior management consultation to teachers and administrators, and taught parent education classes. Supervision by Ann Boyd, M.Ed., Director of Special Education.

January 1978 to May 1978. School Psychology Extern, Fort Worth ISD Psychological Services Department, Fort Worth, Texas. Provided 500 clock hours of testing, parent education, teacher consultation, and counseling in high school and residential treatment settings. This experience was the culmination of the M.A. in School Psychology program at UNT. Michael Dixon, Ph.D., supervising psychologist.

January 1976 to August 1976. Behavior therapist, Denton State School for the Mentally Retarded. Designed and implemented behavior management programs for aggressive and self-abusive male residents. Hazel Colvin, M.A., supervising psychologist.
